

IL PIAVE MORMORO' NON PASSA LO STRANIERO

NAZIONALE
UNZIGHELLA
VENETO

A photograph of a curved stone wall, likely part of a dome or a vaulted ceiling. The wall is made of large, light-colored stone blocks. In the center of the wall, there is an inscription in Italian. The text is arranged in two lines, following the curve of the wall. The first line reads "MILITI IGNOTI OR SIAMO PATRIA VNA TVA LEGIONE" and the second line reads "CHE FA COL SVO MISTERO PIV SACRO IL TVO DESTINO". The lighting is somewhat dim, and the wall shows some signs of wear and discoloration.
